

CD Writer Application

Component name		CD Writer Application	
Category (IP/ Reusable)	Reusable	Component type (HW/SW/product etc)	Software
HW Platform	Intel	SW Platform /OS	Windows XP
Applications / applicable products	Medical, Consumer Electronics products		
Market/ industries applicable	Consumer Electronics		
Product Description	Adding support for CD writing from custom application.		
Technical specifications	Supports ISO 9660/Joliet file-system		
Features /benefits			
Other relevant details	Developed for integrating with DU1 Ultrasound scanner software		
Readiness	Available
